Updated Family Entertainer In Park-like Surrounds

Private, convenient and extremely peaceful, this recently refreshed four bedroom residence combines light filled interiors and low maintenance outdoor spaces. Tucked away in a family-friendly street, this comfortable property offers an easy walk to the highly regarded primary school. Perfect for the growing family that love to entertain, it is only moments from Newington Village Marketplace.

Additional highlights include split system air in kitchen and family room, plus ducted air conditioning in the upstairs bedrooms, automatic double lock-up garage with internal access, additional storage space, blinds and flyscreens.
