PRICE GUIDE: DEPOSIT TAKEN

Ground Floor Air Conditioned Apartment

Not to be missed is this sensational ground floor two bedroom apartment with two balconies for summer entertaining. The balconies have flyscreens which allow great ventilation throughout the apartment.

The main terrace on the east of the apartment overlooks the Newington bushland, and is accessed from the living room and also from the main bedroom. The second balcony on the west of the apartment is accessed directly from the kitchen making it a convenient place for meals or a coffee.

The main air conditioned bedroom has an ensuite with a shower plus soaking tub. A second bathroom is located next to the generously sized second bedroom, and that bathroom includes a European style laundry. Each bedroom has large built-in mirrored wardrobes.

* No Pets.
